

Majors are required to consult with the ICLS DUS on their coursework. Should you have any questions regarding whether a course counts toward your major, please send the syllabus to the DUS for approval and keep an email record of the response. Courses taken to fulfill the application requirements do not count toward the major. With the exception of courses taken to satisfy the global core requirement, double counting of courses to the CPLS major and another program or university requirement must be pre-approved by the DUS. Courses must be taken for a letter grade.
